

Finally, a Truly Invisible Alternative

Let's face it, 100% invisible only matters up close, and plastic aligners are not invisible. INBRACE® is a completely new kind of orthodontic treatment that lets you smile throughout treatment and live in the moment. Healthy, invisible and efficient, INBRACE is ideal for you and your friends!

- ✓ Hassle free & more convenient
- ✓ Hygienic with no odors or discoloration
- ✓ Gentle & healthy tooth movement
- ✓ No plastic
- ✓ 100% digitally designed and made in USA

INBRACE

Braces. Reinvented.

Join the (IN) Crowd

"My friends noticed that I was smiling more and looked happier, and that is just the best feeling. They had no idea I had INBRACE."

– John S., Age 25

"I really like how low maintenance INBRACE is – my lifestyle hasn't really changed at all."

– Angelina M., Age 27

INBRACE Your Options

Only your orthodontist has the expertise to create a beautiful smile that meets your aesthetic and clinical needs. Only INBRACE digitally transfers your treatment goals into each personalized Smartwire®, creating advantages over other treatment options:

-  Normal brushing & flossing
-  Gentle tooth movement
-  Fewer office visits required
-  100% digital
-  Opens & closes spaces
-  Levels & aligns teeth
-  Corrects rotations

	INBRACE	Plastic Aligners	Traditional Braces
